Likhitha Raavi

Aspiring MERN Stack Developer | CCBPian at NxtWave | Python, SQL, React JS, Full Stack Development Trainee | CCBPian at NxtWave | React JS, HTML, CSS, Frontend Developer | Ex-Cognizant
Vijayawada, Andhra Pradesh, India

Summary

Describing myself, I embody a resilient and determined mindset, capable of tackling any challenge with unwavering positivity. Furthermore, I consider myself a dedicated knowledge seeker, committed to continuous learning and personal development. At NxtWave's CCBP 4.0 Intensive, I was In love with the coding challenges and hands-on projects. With Industry's first-ever IRC 4.0, I am getting ready to take on new challenges in the tech world

Experience

Cognizant

Programmer Analyst Trainee

May 2023 - June 2024 (1 year 2 months)

Managed data analysis and reporting for the Abbvie project, utilizing tools such as Rave, Veeva, SAS, and Oracle SQL.

Developed and implemented streamlined processes to enhance the efficiency and accuracy of data analysis.

Collaborated with cross-functional teams to identify key insights and provide actionable recommendations.

Generated comprehensive reports and visualizations to support decision-making and drive project success.

Ensured data integrity and quality control through rigorous validation and verification processes.

Cognizant

CBE Campus Interns

September 2022 - December 2022 (4 months)

Completed an internship where I gained hands-on experience in various technologies such as SQL, C++.

Successfully completed assignments and written tests, showcasing strong problem-solving and analytical skills

Attended a final interview, demonstrating excellent communication and interpersonal abilities

Acquired extensive training in SQL, C++ enhancing technical knowledge and proficiency

Demonstrated ability to apply learned skills in real-world scenarios during internship

Exhibited strong adaptability and quick learning by effectively completing various assignments and tests

HighRadius

Business Essentials Program

June 2021 - July 2021 (2 months)

Trained in essential Sales and Marketing skills, acquiring impactful experience beyond technical expertise. Developed proficiency in driving sales revenue and executing marketing strategies.
